

ENGINEERING TOMORROW'S MOBILITY
-TODAY

DEZTOPAC
— INNOV —

ABOUT US

Deztopac delivers end to end CAD and CAE services across global industries. We design innovative solutions for Automotive, Aerospace, Rail Transport, and Heavy Engineering.

OUR MISSION

- Deliver innovative
- Cost-effective &
- Reliable engineering
- Design solutions

OUR VISION

Be the global partner of choice for engineering and simulation services

OUR VALUES

- Innovation
- Quality
- Safety
- Client-Centricity

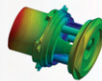

OUR SERVICES

CAD

- 3D Modelling
- 2D Drafting
- Assembly Design
- DMU Kinematics

CAE

- Static Analysis
- Dynamic Analysis

ADV. TOOLS

- AI-Driven Design
- Automation Modeling
- Predictive Modeling

ENGG. SUPPORT

- DFMEA
- DFA/DFM
- Tolerance Stack-up
- CE & ISO Compliance
- Payload Calculations
- Ergonomic Studies
- Safety Studies

DOCUMENTATION

- Assembly Manual
- Operation Manual
- Maintenance Manual
- Risk Analysis
- Technical Manuals

INDUSTRIES WE SERVE

AUTOMOTIVE

- Returnable Metal Pallets
- Assembly Fixtures
- Checking Fixtures
- Welding Fixtures
- Integration Tools
- Lifting Tools
- Trolleys

AEROSPACE

- Returnable Metal Pallets
- Composite Tooling
- Assembly Tooling
- Integration Tools
- Ergonomic Tools
- Lifting Tools
- Trolleys

RAIL TRANSPORT

- Returnable Metal Pallets
- Checking Fixtures
- Assembly Tooling
- Integration Tools
- Welding Fixtures
- Ergonomic Tools
- Resting Fixture
- Lifting Tools
- Trunnion
- Trolleys

HEAVY ENGINEERING

- Industrial Platforms
- Industrial Tooling
- Integration Tools
- Piping Design
- Lifting Tools

WHY CHOOSE US

15+ YEARS OF MULTI-DOMAIN EXPERIENCE

EXPERIENCE

PROVEN TRACK RECORD WITH
INTERNATIONAL PROJECTS

CLIENTS

GLOBAL CAD/CAE EXPERTISE

STANDARDS

SAFETY, COST REDUCTION &
EFFICIENCY
